

Record numbers flocked to DFL's Laager site on Saturday and with the exception of one attendee, everyone went away happy. Clearly the Hare's last disastrous offering in this area was still fresh in his mind as the trail was well put together with good paper management and even an impromptu Piss stop with panoramic views. done.

The result was a foregone conclusion with even the current Hash Shit, Crive only managing a whispered response as the 47 devotees were asked if they viewed the Hash as shitable. So, he played his get out of jail card to maximum effect, well done.

- A variety of virgins were welcomed followed by Bankster's beauty as returner.
- Next in were the squealers and Chastitty handed her weapon over to the ringmaster as she castigated her criminals which included Pickled Lilly, Wee Yin and Bags who all pled guilty as charged and were subsequently punished with downies.

- Trailer Trash had no doubt as to the recipients of her wrath and Urinetrouble, Winkle, Easy Slider and Piss in Boots all glugged while No Balls looked on from a sedentary position in the bucket as a result of foul language, a crime also committed later on by Big Yin.

Dumpling, son of Forrest and Madam Dump had his first taste of glory as he stepped forward to receive the crashers crown aka. the Bunnet when he admitted to taking a tumble trailside, by now he'll be impressing his fan club with all the details.
