Horney will be on vacation in Late June. Winkle/Forbes Skin will coordinate substitutes.

Financial status of KSH3

No Balls reported the Hash had approximately 150,000 THB in bank.

Last outstation run was about 40K which was a little expensive.

Current income is projected at approximately 3,000 THB per week based upon 30 Hashers.

Future Outstation Runs

General Discussion.

Goes Round Again reinforced value for money.

Discussion of various options.

Koh Tan is a possibility.

Join Hash events from other clubs. Less organization

Possibly another hash at Kanom.

Logo redesign

Dyke Finger has offered to design shirts with updated logo.

Will await his ideas

Charity Runs

Possibly do another Red Dress run.

Need at least two people to run/organize this.

Stuffed Crutch offered to head this up with help from Mr. Grimsdale and Mrs. No F'ing clue

Afternoon run through an area to collect ca\$h. Traditionally done in Lamai.

Proposed to do this after Christmas when tourists are here.

It was noted that 90% of the cash comes from the Thais.

Maybe Toys for Tots.

There were signs somewhere and buckets. GM to ask membership if they know of whereabouts.

Antonio will help with signage.

Suggested we add a QR code to the bucket to allow online donations

Any New Business

Always a need for Hares – We are good until July

Paper - Need someone who can take on the paper, as QM has moved away from supplier and it's too far.

Let's put Samui Akson (Shredded Paper supplier) on the website.

Let's give them a plaque celebrating their contribution over 25 years.

Always a need for volunteers. Many Hashers are now travelling as Covid restrictions are dropped. Need to cover those positions held by Hashers who are on vacation.

Christmas party

Suggested we hire the Red Barron, cost would be about \$1,000 per person. No Balls will follow up.

Meeting Adjourned 7:08 pm
